President's Message

Not much to write about this time except I'm looking forward to seeing a lot of you in Kansas. It's great to go back each year and see all the members you have met over the years and to meet new members also.

Hoping all of you have a safe trip to the National.

Roy E. Sword, President FCA

Editor's Message

Well, here we are once again down to the wire on the national. We look forward to seeing a lot of you in Kansas City August 10-12. It's a great time of the year and we are anxious to go.

Don't forget the regional in New Jersey September 8-9. They are planning a big event. Also, there will be a Texas Regional II in Plano again this year on October 6 and 7. Get those registrations in and make your plans now.

Hope you enjoy this issue. We have some great articles we hope to get in the next issue and several car rosters members have worked up. As time permits, we will have these for you.

Bill & Kathy Woodell, Editors

* 1963-1965 Convertible Owners ONLY: *
* *
* Responses to the poll have reached 137. I believe that we will reach *
* 150 within one more month at the present rate. *
* *
* The manufacturer has agreed to start limited production of these top *
* seals now that he has called several people responding to the poll, *
* and now that we are within reach of 150. *
* *
* IF ANYONE HAS NOT RESPONDED, PLEASE SEND A POSTCARD WITH NAME, ADDRESS *
* AND TELEPHONE NUMBER TO MY ADDRESS BELOW. *
* *
* I must remind everyone that I cannot respond to your many questions *
* regarding these seals. Please read the following: *
* *
* The seals are NOS quality pressure molded seals produced in a layup mold. *
* There are six separate pieces, each one different. Anyone responding to *
* the poll will be notified via mail when the seals are ready for shipment. *
* You will order direct from the manufacturer. The first production run *
* will be for Falcon Club poll respondents only. These seals will not be *
* made available to parts resellers for at least a one year period. *

MEET REPORTS

The Lone Star Chapter held its last meeting at the Filling Station Restaurant in Dallas. This was one of Dallas' oldest gas stations that has been converted to a restaurant. We had 10 members present. There were 6 Falcons. We had a good time and discussed plans to caravan to the National.

On Saturday May 27, six members attended an All Ford car show sponsored by Bob Towes Ford in McKinney. We had 5 Falcons: one 63 Ranchero, one 63½ Sprint Conv., one 65 Hardtop, one 65 Conv. and one 69 Sports Coupe there. We had a really good time.

The Mason-Dixon Chapter met June 11 at the Fort Frederick, MD picnic area. About 50 of us watched demonstrations put on by the Fort personnel. We had 13 Falcons and a Comet on display. A hearty Thank You to our member Wiley Harley for organizing a great meet.

Mile Hi Chapter. Since the last news letter, the Mile Hi Chapter has enjoyed a "Dessert Meeting", a "Junk Yard Tour", and working at many different duties at the old Car Council Swap Meet held at the Mile Hi Kennel Club. It's great to see the members helping other organizations and the community and attending the events the club has set up for them. Membership continues to increase and numerous families are planning on the caravan to the National meet in August. Sounds like the caravan will be one of the biggest yet. Our thanks to the National for getting these conventions started and helping to see them to the success that they are each year.

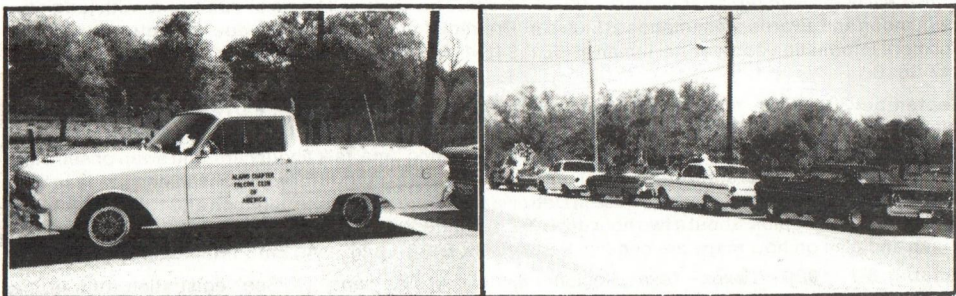

The Northeast Chapter's Spring Meet was held in conjunction with The Rhinebeck Auto Show sponsored by The Hudson Valley Antique Auto Club. Turnout was light due to cloudy weather and predictions of rain that never showed up though the day was windy and cool. 10 Falcons were on display in the Chapter's area and 3 trophies were presented. At least 20 chapter members were in attendance, enough to hold the planned annual chapter business meeting and election of officers. The following officers were unanimously elected: President-Howie Wheeler, Vice-President-Tom Massarelli, Secretary-Gerrie Scioscia, Treasurer-Kris Johnson, Editor-Ron Johnson. In spite of the weather, a few treasures were found at the adjoining swap meet and lots of serious Falcon discussion was enjoyed by all. Plans were discussed for the Chapter Picnic to be held July 16 at Wickham Park, East Hartford, CT. Information available from Howie Wheeler at 203-871-6916. We hope to see lots of Falcons there!

River City Chapter had a picnic at the Towe Ford Museum in Sacramento, CA. Members toured the museum and played croquet. We also raffled items the museum had kindly donated to the club. Several lucky members took these goodies home. Some of us also attended the Museum's American Graffiti Nite. Our chapter occupied a table next to the dance floor and had a great time dancing and meeting members from other car clubs.

The Southeast Chapter sponsored the All Ford-Mercury show on May 21 in Monroe, GA. We had 57 cars entered which included 13 Falcons. Watch the next Falcon News for photos and a list of entries. We held our June meeting at the home of Judy and Mike Dove. We had 12 members present. The main topic was discussion of the July trip to Rome, GA and the planning of the trip to Kansas City for the National.

The Founder's Chapter met Sunday, July 9 at Petit Jean Mountain State Park near Morrilton, AR with the Frontier Chapter for a pot luck lunch. There were 35 present and 13 Falcons. Good food and fellowship were enjoyed by all.

Next meeting for the Founder's Chapter will be on August 26, at 5:30 p.m. at Po Folks Restaurant in North Little Rock. We will elect the new officers for the upcoming year.

The Alamo Chapter at the Bluebonnet Festival Parade, Natalia, TX, April 1st.

The Alamo Chapter participated in The Bluebonnet Festival Parade in Natalia April 1st. Four cars participated - a 62 Ranchero, 63 convertible, 64 hardtop, and 65 hardtop. Several people loudly commented on how nice all our cars looked. We even had a man driving his Porsche 911 who said he used to own a 62 Falcon and that our cars really looked great! He sure went down in the world when he got a Porsche, right? Our May meeting was at the Ironworkers Union building in San Antonio. Five members were present with 2 Hardtops, 1 Convertible, and 1 Ranchero.

The Keystone Chapter held our opening meet of the year June 10 at Lake Lenape Park in Perkasio, PA. 14 Falcons were in attendance. We discussed the Keystone Chapter's participation in the Macungie, PA meet August 6 and the Regional Meet in Livingston, NJ, September 8. The chapter also received a nice write-up in the Perkasio *New Herald* on our meet and publicized our activities.

The Founder's Chapter met at Pat and Roy Sword's home for a cook-out on May 6th with 16 present. Four members from the Frontier Chapter including their President, Don Heathcott, were guests. The group decided to have a potluck picnic on Petit Jean Mountain, June 25th at 2 o'clock. The Frontier chapter will come down and meet with the Founder's Chapter for a fun afternoon.

Technical Advice

Just thought I would add a few irons to the fire dealing with a chattering clutch.

New clutch parts as is suggested by Phil Barber is a very good idea, but might not cure the problem. There are a number of sources for this problem that should be checked.

These include engine and transmission mounts, rear spring bushings and u-bolts, rear shocks, even a slight amount of oil or grease in flywheel area.

Also if you have the flywheel resurfaced (you should do this at every clutch change) you must remember that a cutting tool will not remove the burnt hard spots on the flywheel. You should have a flywheel ground instead of cutting on a lathe. These hard spots will cause chattering if not removed.

An example of chattering not caused by clutch parts is the F-100 trucks that chatter in reverse but not going forward.

Some things to think about. Happy Falconing,

Tim Hodgdon, RD #1, Box 399, Vergennes, VT 05491

Help Wanted with Special Project Need Falcon Television Commercials

The Keystone chapter will be putting together a tape of highlights of the Macungie Car Meet and New Jersey Regional Meet to be shown on Berks Community Television's *Spare Parts* program in January 1990. We would like to include in this tape several Falcon television commercials released by Ford marketing in the early to mid 60's. Anyone having access to any TV ads is asked to contact Marin F. Ennis, 1405 Dogwood Dr., West Lawn, PA 19609. All responses will be answered and any and all help is much appreciated. Thank You!

NOTE TO ALL MEMBERS: The club will send out notices to each member the month before membership expires. Be sure to send your renewal in early to retain your original membership number. If you do not renew your membership within 90 days after it has expired, your membership number will be placed in the inactive file and will no longer be used by the club.

Eastern Regional Meet September 9, 1989 Livingston, New Jersey

The Eastern Regional meet being sponsored by the Keystone and Northeast Chapters of the Falcon Club of America has been finalized. The meet will be held on September 9, 1989 at the Holiday Inn on Rt. 10 West in Livingston, NJ. The cost of entry will be \$12.00 pre-registered, and \$15.00 after Aug. 15, 1989. The cost of rooms is \$59.00 per night single or double for either Friday night or Saturday. Rooms can also be had for both nights.

There will be a choice of two dinners at the banquet. They will be chicken at \$15.50 per person or sirloin at \$19.50 per person. There will also be a third choice for those who cannot eat either of the above. We will also have a limited number of swap spaces available at \$12.00 per space. Applications for the event will be in forthcoming newsletters.

The car show will be all day Saturday with the awards banquet set for Saturday night. For those members wishing to come in on Friday night rooms will be available after 2 p.m. on Friday. We would like to encourage members to come in on Friday and get to know each other. The main reason for car shows is to get to know one another and enjoy everyone's company. Our Falcons are the common denominator for the good time that we all have together. We would also urge anyone who wishes to attend to get their applications for the show and banquet in early. There will only be about 120 members seated at the banquet so do it quick. We have already had 35 responses to attend so we are almost half full now.

I would like to thank everyone who has responded for their letters and calls. We are looking forward to a successful show. If you have any questions feel free to call.

Chris, Gerrie & Matt Scioscia, 50 Spring St, Bloomfield, NJ 07003, (201) 743-7245.

NOTE: See map in June issue.

Texas Regional II October 6th & 7th, 1989 Plano, Texas

Dear Falcon Club of America Members,

The Lone Star Chapter is once again proud to invite all our friends to the second annual Texas Regionals. Plans have been finalized to hold this event October 6th and 7th, 1989 at the Holiday Inn, in Plano, TX.

We will have even larger awards and door prizes plus a few surprises. Tom Vorjohon will be present with his unbelievable magic act for two appearances (ask the people who saw him last year). There will again be 10 classes with 3 awards per class, plus all the awards as required by the FCA bylaws. There will also be two sponsors awards to be selected by the sponsors themselves. That adds up to over 35 awards plus some great door prizes like a full set of carpets for your Falcon just to name one.

There will be swap meet spaces and an auction so maybe you can find that one part that's been so elusive. The Lone Star Chapter promises this event will be even bigger and better than last year and I personally guarantee that it won't rain a drop. Come see us in October.

Marty Martin, Lone Star Chapter President

Feature Australian Falcon

Here is a photograph of a '64 Falcon "XM" (Australia) that is owned by Rob Nicholls' of Ballarat, Australia. It is parked in front of the Ford Australian Head Office. Too bad it is not reproducible in color. The red is stunning! I wrote to Rob, sent him information, and he sent this photo.

Feature Falcon

Dear Ladies and Gentlemen of "The Club",

I've been a member of the club since December 1988 and I've seen a lot of nice looking cars in "The Falcon News". Well, it's time for me to get in on the action! The following article was written to the "Lower Mainland Falcon Owner's Association" in Vancouver, who chose my car to be their "Feature Falcon of the Month":

Here's the story of my Falcon. In 1986 when I began to seriously consider buying an older car, a Falcon didn't immediately come to mind. Although I'm only 30, I had forgotten about the old Falcons as most Ontario examples have all rusted away.

What I was looking for was an early 60's convertible with a V-8 engine which **wasn't a Mustang!** Then I remembered an article in the Nov. '84 issue of "Collectible Automobile" magazine about the '61 - '65 Futura. After re-reading it and doing some additional research on Falcons, I decided on the 1963½ Futura convertible with the 260 V-8. Next came a year-long search through the Old Car Trader for a car matching my requirements. Finally in July '87 I found a car nearby at a "reasonable" price and needing only "minor" body and transmission work. Well, I went for a look and was impressed with the lil ragtop with the new "Mac Truck Red" paint job. Little did I know what was hidden under the shiny coating! (LOTS of rust). However, I put aside my misgivings, plopped down the cash, and motored on home. After checking out several restorers, I decided on "The Shelby Shop" in Toronto. Although they mainly worked with Mustangs, the very similar Falcon was familiar to them. In fact, my Falcon now has Mustang door handles, side mirrors, battery tray and gas tank!

In any case, I delivered the car to them in April '88 and shortly afterward I took delivery of a rust-free chassis and doors from Ron Boesl of Northwest Classic Falcons in Portland, Oregon. Ron was a great help in supplying hard to find parts; he also found for me a pair of used door sill plates and a set of N.O.S. vinyl seat upholstery.

Since the Falcon's body was in such bad condition, only the hood and trunk lid were used in restoration. The running gear was in great shape, however, as was the engine, trim, glass, dash & instruments, and door panels. These pieces, plus new carpeting, convertible top, starter and tires (Michelin XH) were grafted onto the sandblasted and painted chassis over the next few months. The trim and bumpers were re-chromed and a coat of Rangoon Red paint gave it that "new car shine".

Yes, it's been a big expense, but I'm very happy with the way the Falcon turned out. I don't intend to sell it because it's exactly what I was looking for!

Thank you all for your support and good wishes!

Steve Levenstein, 135 Antibes Dr. #2602, Willowdale, Ontario M2R 2Z1 Canada
